Even your mom knows

Street Fighter II is on Game Boy.

She knows that with the two-player mode on Game Boy or Super Game Boy, is one bad lady. No wonder she wears combat boots.

Your momma. She knows the bad boys of Street Fighter II™ are now on Game Boy. She knows its nine levels of destruction can't be contained by the four walls of your lovely split-level suburban domicile. Knows Street Fighter II is finally loose on the streets where it belongs. Knows all about the Special Moves, the flaming fireballs, spinning back-fists, jabs, jukée, blocks, flesh kicke and sucker punches.

MARK'S REMARKS

Halloween's my favorite holiday. In these ever-more politically correct times, I'm surprised that such a pagan celebration is still so popular. For those of you who don't know where your holidays come from, let me clue you in on the Big H. Halloween, or Hallowed Evening, is a combination of two pre-Christian harvest festivals, first celebrated well over a thousand years ago. The first is the festival of Pomona, the Roman goddess of apples and nature's autumnal bounty. The second is the Celtic (that's with a "K" sound not an "S") festival of Samhain, the Celts of Ireland's god of the dead. The idea was that on Halloween, Samhain allowed the spirits of the dead to come out of the netherworld and haunt the land of the living from midnight to sunrise. It was up to all good Celts to both honor their dead and raise a ruckus partying to keep the ghosts from messing with them too much. Both the Samhain and Pomona festivals were celebrated in Ireland around harvest time, and their traditions became intertwined. Halloween was imported to America by Irish immigrants in the mid-1800s and it's been growing in popularity ever since.

So why's this holiday my favorite? I'll discount the candy aspect, and that orange and black is my favorite holiday color scheme. Instead I'll posit no other holiday is quite so joyously paradoxical. How so? First, there is a horde of fantastic creatures associated with Halloween—ghosts, magical witches (yeah, know there are real life witches—don't write me), goblins, demons, monsters and werewolves, to name but a few. By contrast, most other holidays have but one or two fanciful or legendary figures associated with them. Thus the fantasy quotient for Halloween is way higher than for say Independence Day. Second, and contradictorily, it's the most realistic holiday we've got. Most other holidays commemorate something that the majority of us haven't experienced firsthand and we're still celebrating. Wasn't there in 1776, were you? Christmas? Not my birthday we're celebrating. Thanksgiving? Wasn't there either. But what does Halloween celebrate? In essence: Death. And try as I might to live a healthy and meaningful life, eventually this is something I'm going to experience. Halloween is a very human response to acknowledging the Great Inevitable—by partying. So I submit to you that Halloween is both the most fanciful and real holiday we've got.

Halloween is also the holiday most related to the masquerade tradition of our comic book heroes. As a longtime comics fan who's used Halloween as an excuse to deck myself out as a comic book character, I have yet another reason to like it. If you don't want to contribute to the cavities of a minor by handing out trick-or-treat candy, might I recommend passing out some comic books you think might be age-appropriate? Well, whether you're on the giving or receiving end of the bag of goodies, wish you all to have a very happy holiday.

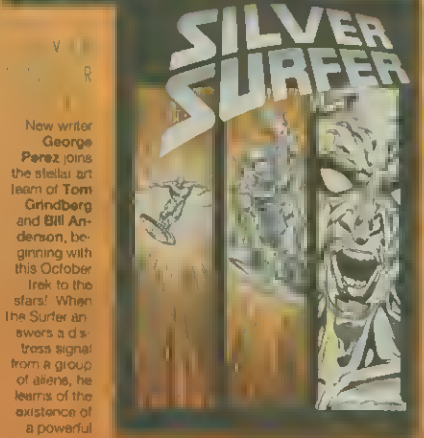

ON SALE THE FOURTH WEEK OF OCTOBER 1995

AVENGERS 393

Something horrible happens to the Wasp in this October extravaganza! It's brought to you by the writing team supreme, **Bob Harras** and **Terry Kavanagh**! Commenting on the art for this ish, editor **Ralph Macchio** said, "M.C. Wyman has stepped in beautifully,

picking up from his work in **AVENGERS UNPLUGGED** (Inker) **Tom Palmer's** work adds a quality to the book, especially when he is doing the coloring. His work defines the look of the Avengers!"

New writer **George Perez** joins the stellar art team of **Tom Grindberg** and **Bill Anderson**, beginning with this October trek to the stars! When the Surfer answers a distress signal from a group of aliens, he learns of the existence of a powerful being named

Blackbody who lives on the other side of the galaxy! If the Surfer fails to stop BB, every super being in the universe will die! **Art**! **Tom G.** said Perez's storyline is "refreshing and totally different! We're breaking new ground, and that's always a challenge!"

In the far future, the remnants of Earth's mightiest heroes gather for one last battle against their greatest foes. It's **Hawkeye**, **Hank Pym**, the **Wasp**, and **Cannonball** against **Ultron 5.0**, **Kang**, the **Grm Reeper**, **Oddball**, and several dozen guest-villains! **Writer** **Peter David** described the story by saying, "All the strengths and weaknesses of the heroes are played out against a larger struggle to control their own futures!" **Peter** raved about the fully-painted **Ariel Olivetti** artwork, calling it "magnificent!"

GROSS ABSURDITIES

ON SALE IN OCTOBER

MARVEL RIOT #1: 32-page spoof of the X-MEN's "Age of Apocalypse" saga, brought to you by X-dude Scott Lobdell! (Yes, the original "Age of Apocalypse" storyline was serious! This is the parody!) Assisting the Lob in this endeavor are co-writer/artist Hilary Barta, and artist Rurik Tyler! All you riot gyyys and grrrys can't miss this one! It's a laff riot! *On sale October 3.*

REN & STIMPY #37: It's a close encounter of the eediotic kind as Stimpy is abducted by a UFO! *On sale October 3.*

BEAVIS & BUTT-HEAD #22: The boys get jobs working in a new theme park as costumed cartoon characters! But when the kids turn against these funny animals...Beavis and Butt-Head turn rabid!

Written by Guy Maxtone-Graham with art by ravishing Rick Parker! *On sale October 17.*

SPUMCO COMIC BOOK #3: Two Spum-rific stories! "For a Quarter" is the tongue-raising tale of Jimmy the Hapless Boy, who loses a quarter, and then spends two years looking for it! The second story is part two of "Fishing Show," in which we find out who's heckling George Liquor's expert fishing ability! Featuring the villainous Dirty-Mouthed Bass! *On sale October 31.*

EARTHWORM JIM #1: Based on the hit video game about a worm with a powerful exo-skeleton! (No early birds will be getting THIS worm!) It's brought to you by Dan Sliott and Barry Crain—the writer of REN & STIMPY and the artist of CONAN! (This comic is as funny as CONAN and as action-packed as REN & STIMPY!) *On sale October 24.*

STILL ON SALE (IF YOU'RE LUCKY)

SPUMCO COMIC BOOK #2: Two Spum-tastic stories! First we have Part One of "Fishing Show." Then there's "Jimmy's Remote Control," which controls more than just a TV! Wait till you see what Jimmy makes the doggie do!

BEAVIS & BUTT-HEAD #21: The boys try out for the cheerleading squad, but they end up on the football team! Getting tackled sucks! You must read "Football Zeroes!" Written by Johnson and Marcil, with art by guest penciler, Alan Kupperberg and inked by Rick Parker!

REN & STIMPY #36: Ren and Stimpy become the wackiest taxi drivers since Robert DeNiro in "Crabby Cabbies!"

A huge lightning bolt flies from his hands and hits you square in the chest! Shocked, you thrash your limbs like a speared pig, until the bolt passes through you and into the ground.

You stand, amazed to be alive.

You heft your battle axe and leap straight at him!

Man, he's gonna pay for that!

Available at your favorite stores nationwide.
